ECONOMIC COMMISSION FOR LATIN AMERICA  
Sixth Session  
Bogotá, Colombia

IRON AND STEEL INDUSTRIES

Draft resolution adopted by Committee V on  
12 September 1955

THE ECONOMIC COMMISSION FOR LATIN AMERICA

CONSIDERING:

- a) the importance of iron and steel and its related transforming industries to the economic development of Latin America; and
- b) that the secretariat, in accordance with resolution 57 (V), has submitted a preliminary report on the Iron and Steel Transforming Industries in Selected Latin American Countries (doc.E/CN.12/377), and, in co-operation with the United Nations Technical Assistance Administration, is preparing the Second Meeting of Experts on the iron and steel and related transforming industries, to meet at Sao Paulo, Brazil, in 1956,

EXPRESSES APPROVAL of the report mentioned above;

RECOMMENDS to the secretariat:

1. That research related to the iron and steel industries be continued and extended to other Latin American countries concerned;

/2. That, in

2. That, in co-operation with the United Nations Technical Assistance Administration and other institutions concerned, the preparations be advanced for the Meeting of Experts to be held at Sao Paulo, Brazil, in June 1956; and
3. That in collaboration with the governments, with the United Nations Technical Assistance Administration and with other institutions concerned, the committee of experts proposed in resolution 57 (V) be convened to advise on the various pertinent problems.
